

### **Sugaree's Red Velvet Cake**

My favorite Mississippi bakery is Sugarees. All of their cakes are delicious and, in putting together the menu, I couldn't pick just one. As you may remember, Aunt Belinda was on a quest to make a red velvet cake and Sugarees has a delicious red velvet cake that would pair perfectly with the book club theme. Make it easy on yourself and order a red velvet cake from Mississippi's own Sugarees ([www.sugarees.com](http://www.sugarees.com)). While you're at it, try their coconut cake with marshmallow icing. It's Cricket's favorite! If you're looking to try something different, the caramel cake is a classic Southern cake and my personal favorite of all the wonderful Sugarees cakes is their coconut caramel cake. Whatever you choose, you can't go wrong.
